ABOUT US

KAC began over 100 years ago in a nearby town. After moving in 1985 to our current 6.5 acre property, several additions have been added to our building and parking lot, providing ample space for ministry. We have a new worship center (March 2020), Kid's and Youth spaces, a gym and a variety of classrooms.

Though we have experienced loss of some attendees and staff since 2020, we have maintained consistent leadership and have again experienced growth in 2023. We value families, outreach and personal growth through Bible study and relationships. We encourage our people to Connect, Grow and Serve with God and people, both inside and outside the church.
